

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF KENTUCKY TURNPIKE)
WATER DISTRICT TO REVISE ITS TARIFF) CASE NO. 96-247
TO ASSESS AN IMPACT FEE TO APPLICANTS)
LOCATED IN THE BEECH GROVE ROAD AREA)

O R D E R

On May 3, 1996, Kentucky Turnpike Water District ("Kentucky Turnpike") filed a tariff with the Commission wherein it proposed to assess an impact fee to serve an additional 1,000 new residential customers located in the Beech Grove Road Area. Kentucky Turnpike states that the existing water mains serving this area are hydraulically very limited in their ability to serve additional customers. Kentucky Turnpike proposes to assess the impact fees to applicants located in the area bounded by: the Salt River on the north; Interstate 65 on the east; Kentucky 251 on the south; and the Fort Knox Reservation on the west.

The Commission finds that, pursuant to KRS 278.190, further proceedings are necessary in order to determine the reasonableness of the proposed tariff. The district did not provide the 30-day notice to the Commission required under KRS 278.180; thus, suspension of the tariff is not required.

IT IS THEREFORE ORDERED that the proposed tariff filing of Kentucky Turnpike be and it hereby is suspended pending the conclusion of this proceeding.

Done at Frankfort, Kentucky, this 7th day of June, 1996.
